Shemanta Bhowmik

WordPress Developer

Experienced and results-oriented WordPress Developer with a track record of over 6 years in proficiently executing web development and project management. I am eager to apply my expertise in creating and optimizing web solutions, improving user experiences, and ensuring high client satisfaction within a dynamic and innovative setting. Committed to remaining updated with industry trends and continuously refining my skills to achieve outstanding results.

WORK EXPERIENCE

Project Manager, Senior Developer & Team Leader Jul 2023 – Jun 2024

MainStreet Design | California, USA

During my tenure, Our 7-person web team has completed over 120 projects, showcasing a high level of professionalism and expertise. I successfully led the team in the delivery of high-quality web solutions. I effectively managed multiple projects, ensuring timely delivery within budget constraints. Additionally, I enhanced website performance and functionality through the implementation of strategic planning.

Web Developer & Team Leader

Sep 2022 – Apr 2023

Istamedica | Istanbul, Turkiye

I was responsible for developing and managing a 350+ page website. My tasks included designing and developing templates, integrating payment gateways, ensuring responsive design and cross-browser compatibility, optimizing for search engines, improving performance, developing woCommerce, and creating content.

Maintenance Manager (Part-time)

Oct 2021 – Jan 2023

SocietyDeal.com.bd | Dhaka, Bangladesh

As the sole maintenance manager for a website featuring over 1000 products, my primary responsibilities included the regular backup of the website, ongoing website monitoring, bug resolution, and comprehensive reporting.

Project Manager, Web Developer & Team Leader

Jan 2018 – Aug 2022

HappyDesk.net | Dhaka, Bangladesh

I managed a team of 5 individuals, overseeing the successful completion of over 250 small and medium projects. Our work involved converting designs from pixel-perfect Figma to WordPress while prioritizing consistency, responsiveness, and cross-browser compatibility, consistently meeting deadlines.
